WELCOME TO FOUNTAIN MANOR

We welcome you to our community and hope you will enjoy living here. When you bought a unit in Fountain Manor you agreed to abide by the condominium by-laws and rules and regulations that govern Fountain Manor. Please read them and familiarize yourself with them and keep them accessible for any questions that may arise later. If you leave our community, please pass them on to the homeowner who buys your unit.

Our Board meets once a month. All requests for landscaping and architecture work submitted to those Committees are voted on by the Board at the meeting. No work can begin without Board approval. Any work begun without Board approval may be required to be removed at homeowners' expense so please plan accordingly and allow time for your request to be processed. The Board does make allowances for true emergencies.

Your Board is made up of your fellow homeowners - all volunteers. We strive to make Fountain Manor a wonderful place to live. We hope you will do your part – bring us your concerns, give us your cooperation.

Once again, WELCOME TO FOUNTAIN MANOR.

RESPONSIBILITIES OF THE BOARD OF DIRECTORS

The Fountain Manor Association, Inc. is guided by a Board of Directors elected by the members of the Association.

Four Directors are elected at each Annual Meeting, for a term of two (2) years. There are eight (8) Directors on the Board. Two directors are elected to represent each of the four Phases (as established by the original construction; for a listing of the units contained in each Phase, see the section entitled *Definitions*.) The Annual Meeting is held each November. Owners may submit nominees for the Board of Directors each October (in advance of the Annual Meeting).

The Board of Directors shall exercise all powers and duties of the Association. Those duties include:

2. The maintenance, repair, replacement and operation of the common areas and facilities.
3. The reconstruction or improvements after casualty as stated in the *Declaration of Condominium*.
4. To make and amend *Rules and Regulations* governing the use of the property.
5. To contract for the management of the Association and its property, and to designate to such Managing Agent all the powers and duties of the Association, except those which require the approval of the Board of Directors.
6. To enforce by legal means the provisions of the *Articles of Incorporation, Bylaws, Declaration of Condominium, Rules and Regulations, Common Law and Statutes* (the *Governing Documents*) concerning the use of the property. See next page for further information.

To pay all costs of power, water, sewer and other utility services rendered to the Association and not billed to the Owners of individual condominium units.

Questions regarding these duties should be directed to the Managing Agent.

An annual Directory is prepared and distributed to residents and members in January. The Directory lists members of the Board of Directors, Committees, Condominium Owners and Residents.

Homeowners are welcome to speak to the Board with any concerns BUT must contact in advance the President of the Board and be placed on the agenda for the next monthly meeting. No one will be allowed to appear before the Board without doing this. The Board is happy to hear your point of view and your criticism if it is done in a civil tone and with respect. If not, you will be asked to leave the Board meeting and all future communication directed toward the Board would have to be in writing.

Enforcement of Rules and Regulations (and other Governing Documents)

In conjunction with the Board of Director's responsibility to enforce the rules and regulations of the Fountain Manor Homeowners Association, the following procedure is used:

(1) Notice of Violation

When the Board of Directors receives a written complaint, or otherwise becomes aware of, a potential violation of the *Governing Documents of Fountain Manor Homeowners Association*, a letter describing the potential violation will be sent to the Unit Owner. The Unit Owner will have fourteen (14) days after receipt of the letter to correct the violation. If the Unit Owner has not corrected the violation within fourteen (14) days, the Unit Owner will be informed in writing of a hearing date and location to address the matter.

(2) Hearing

The Board of Directors, or a panel appointed by the Board, will conduct a hearing to determine why the Unit Owner is not in compliance with the Governing Documents. At this time, the Unit Owner will be heard and may present evidence regarding the matter of compliance.

After the Board of Directors, or the panel, as the case may be, gathers all necessary information, it will consider the matter and notify the Unit Owner in writing within five (5) days of the hearing of its final decision regarding compliance or non-compliance.

(3) Fines

Fines will be assessed for non-compliance beginning seven (7) days after the hearing. The fine amounts are as follows:

- \$25 per day for the first 30 days.
- \$100 per day after 30 days

When the fine amount reaches \$500, a lien will be placed on the Unit Owner's property to secure the amounts owed. The Governing Documents grant the power to the Fountain Manor Homeowners Association to foreclose on a Unit Owner's property for any amount owed to the Association.

This policy was adopted pursuant to the North Carolina Condominium Act. It will only affect those Unit Owners who do not fulfill their obligations to our community. The purpose of the policy is to ensure that the property values of all are not negatively affected by the actions of a few

ADDENDUM TO CONDOMINIUM HOMEOWNERS GUIDE
CONTINUED INFRACTIONS OF RULES
MARCH 2014
(Revised June 2014)

Our Condominium Homeowners Guide outlines Board policy and actions to be taken when homeowners ignore rules and regulations that cause problems for their fellow homeowners. The initial infraction and response by the Board to it has, at times, led to home owners compliance only to have a second or third infraction take place 6 months or a year later. The Board felt that our current policy and response to infractions of the Rules and Regulations was not sufficient to rectify **ongoing infractions** that might occur months or a year later after a home owner's initial compliance. The Board has set up a new policy in response.

Again, for the Board response to an **initial** infraction, please refer to page 6 (Enforcement of Rules and Regulations (and other Governing Documents)) in your current Condominium Homeowners Guide (revised January 2012).

For the same subsequent infractions that occur after initial compliance the Board policy is set out as follows:

- 1) a warning letter outlining this policy will be sent to the homeowner asking for his/her cooperation in rectifying the problem.
 - 2) a second offense will incur a \$100 fine.
 - 3) a third offense will incur a \$200 fine.
 - 4) a fourth offense will incur a \$400 fine
 - 5) five and further offenses will incur a \$400 fine.
- If an outstanding fine is not paid within 60 days a lien will be placed against the homeowner's unit.
- Notice of Violation may come from the Board directly or as a result of receiving a complaint. Any complaints made to the Board for violation of the Rules and Regulations must be in writing, signed and dated by the complainant and reference specifically the rule/regulation being violated and the time and place of the violation.
- In the event of a leasing arrangement, home owners are held responsible for their tenant's failure to abide by Fountain Manor Rules and Regulations. Tenants, by leasing a unit in Fountain Manor, have agreed to obey and be subject to the Rules and Regulations and Governing Documents of Fountain Manor Association, Inc.

RESPONSIBILITIES OF THE CONDOMINIUM OWNER

Each condominium Owner is a member the homeowners organization named **Fountain Manor Association, Inc.** As a member, each Owner has agreed to abide by the *Articles of Incorporation, By-laws and Declaration of Condominium* and *Rules and Regulations*, and all other *Governing Documents* concerning the Association.

Association Dues and Assessments

Each member is responsible for payment of his/her monthly dues and special assessments (if applicable). The dues amount is generally established for a period of one year, in conjunction with the annual operating budget. The monthly dues amount is set at the beginning of the calendar year. Special assessments may be levied at any time, at the discretion of the Board of Directors.

Payments should be made to Fountain Manor Association, Inc. in care of the Managing Agent, or as otherwise directed.

Monthly dues are to be paid on the first of each month. Any dues not received within thirty (30) days of the due date, are considered in default. Fountain Manor Association is granted a lien on any unit in which the Owner is in default. Provisions for foreclosure are also available to the Board of Directors, in the event such measures are necessary.

The condominium owner, upon sale of his/her unit, is required to notify the Managing Agent of the buyer's name and date of closing in order that the responsibility for assessments can be recorded correctly.

For more information, see the section titled "Dues and Assessments."

Maintenance Responsibilities

Each condominium Owner is responsible for the interior maintenance of his condominium unit. The condominium Owner shall be liable and responsible for the maintenance, repair and replacement, as the case may be, of all air conditioning and heating equipment, stoves, refrigerators, fans or other appliances or equipment, including any fixtures and/or their connections required to provide water, light, power, natural gas, telephone, cable television, sewage and sanitary service to his condominium unit. Each condominium Owner shall further be responsible and liable for maintenance, repair and replacement of any and all interior walls, ceilings, floor surfaces, painting, decorating, furnishings and all other accessories in his unit.

All exterior doors, window frames, panes and screens are a part of the condominium unit and shall be maintained by the respective unit Owner. All exterior painting of these items will be the responsibility of the Association. See the *Declaration of Condominium* for a full description of a Condominium unit and more details of the unit Owner's responsibilities for maintenance of their unit.

Members should be aware that they are responsible for the upkeep of additions to the original construction. This includes any repairs and re-roofing to the additions.

All Maintenance Responsibilities that are listed here are still the responsibility of the Unit Owner (even if the unit is vacant) as long as he retains ownership of the Unit. It will be the Unit Owner's responsibility to provide a current contact name, address, and phone number to the Property Manager if it changes from that listed in that current year's Fountain Manor Association, Inc., directory. Failure to provide this information to the Property Manager when the Unit Owner vacates his home in Fountain Manor will be considered a violation of Fountain Manor Association's Rules and Regulations and the Unit Owner can and will be subject to the Enforcement of Rules and Regulations by the Board as listed if this is deemed necessary by the Board.

EXTERIOR MAINTENANCE REQUESTS

All requests for exterior maintenance to the Association property should be submitted, in writing, to the Managing Agent. In case of emergency, please call the number on the front of this book at any time.

The Managing Agent will make repairs if the request is within the guidelines of the budget and is Association property. The Managing Agent has no responsibility to repair items within the condominium Owner's unit.

All Capital improvement repairs or replacements are scheduled based upon the expected physical life of the Capital Item, and replacement occurs according to a Capital Budget. (Capital Items include painting, roof replacement, street/parking lot resurfacing, etc.) The Capital Budget is updated annually, along with the Operating Budget.

ASSESSMENTS AND DUES

Fountain Manor Association (FMA) is given the authority to administer the operation and management of the Condominium and the Recreation Facilities, it being recognized that the delegation of such duties to a Managing Agent is in the best interest of the Owners of Condominium Units in all phases of Fountain Manor Condominium. To properly administer the operation and management of the Condominium and the Recreation Facilities, FMA will incur, for the mutual benefit of all the Owners of Condominium Units, certain costs and expenses. To provide the funds necessary for such proper operation and management, FMA has been and is hereby granted the right to make, levy and collect two types of Assessments against the Owners of all Condominium Units: Regular Assessments (Dues) and Special Assessments. The Regular Assessment (Dues) is divided into three parts:

- For the administration, operation and maintenance of the Association, known as "Maintenance Assessment."
- For the maintenance, management and operation of the recreational facilities, known as "Recreational Assessment,"
- For the capital improvements and future long-term capital replacement provision, known as "Capital Assessment."

These Assessments are combined into one sum and they are due and payable on the first of every month.

The payments of these Assessments are commonly referred to as "Monthly Dues." Special assessments may be passed by FMA to deal with needs not covered under the regular Assessments.

The payment of any dues/assessment or installment thereof due to FMA shall be in default if such dues/assessment, or any installment thereof, is not paid to FMA within thirty (30) days of the due date for such payment. All monies owing to Fountain Manor Association shall be due and payable at the office of the Managing Agent, or as otherwise designated.

The Owner or Owners of each Condominium Unit shall be personally liable, jointly and severally, for the payment of all dues/assessments. In the event that any Owner or Owners are in default of payment of any assessment, or installment thereof, and interest thereon, including a reasonable attorney's fee, liens can be placed upon the property.

In any voluntary conveyance of a Condominium Unit, the Buyer shall be jointly and severally liable with Seller for all unpaid assessments at the time of the conveyance.
